- Competitors should bring their Motorsport UK competition licence and any other supporting documentation, such as medical certificates (if applicable), as these may be visually checked when drivers collect their wristband.

13. Pit awnings, paddock and parking

- Pit awnings will not be provided.
- Working areas must be kept area in a neat, tidy and safe condition at all times.
- Please park your team support vehicles as neatly and as tidily as possible. This will be monitored and teams will

be asked to move their vehicles if they are not parked correctly. No private cars or trailers are to be positioned in the visible display areas.

- All other vehicles, private cars and trailers should be parked in the area indicated on the accompanying paddock plan.
- **Any person (or team) failing to comply with the paddock parking rules will be subject to a £50 fine.** This money will be placed into a fund for use at the end of the season, as deemed appropriate by championship officials.

14. Paddock procedures

- The use of vehicles is not permitted unless towing a trailer for the purpose of transporting ancillary motor race equipment in the pit & paddock area. No competitor may use a support vehicle in the pit road at any time unless authorised by a race official. Any misuse of "support vehicles" will be brought to the attention of the Senior Officials and appropriate action may be taken.
- The roadways within the Paddock Area and any Fire Lanes must be kept clear of all vehicles at all times. A 10 mph speed limit is in force in all areas of the venue.
- Scooters and Mini Moto's are NOT permitted on site. Passengers are not permitted to ride on quads, unless the quad bike is specifically designed to carry passengers. Quad bikes are not permitted on any grass verges, banks, or any general public areas such as trade malls, and they must adhere to designated vehicle routes. Scooters and quad bikes must be in a road worthy condition and fitted with lights. No one without a valid driving licence is permitted to drive a scooter or quad bike. Alcohol is strictly prohibited whilst driving any vehicle at the Venue. Riding on trailers is strictly prohibited. Tail lifts must be left either up or down. Anyone found in breach of any of these terms will have their vehicle confiscated.
- All vehicles and team equipment is left at the owners risk and neither the organisers nor circuit operators can be held liable for any loss or damage, howsoever caused.
- Where vehicles with tail lifts are being used at the venue, the operator must ensure that the tail lift is never left down, including in the halfway position, other than when loading/unloading is being undertaken.

15. Circuit layout, track access and exit

- Diagrams will be issued to show the layout of the course that will be used for each of the demonstrations.
- Teams will be called to session and must assemble promptly in the assembly area.
- The event is running on a tight time schedule and it is imperative that the day runs on time. **PLEASE BE READY TO START YOUR SESSION.**
- Cars will be directed to line up in a holding area. A marshal will then release cars on to the circuit.
- At the end of track session all vehicles must return to the paddock. The route will be advised at drivers briefing.
- Following each session, competitors may be held pending technical checks until instructed to return to their pit by an official.
- Should your vehicle stop trackside, drivers will be approached by a marshal at a distance. Drivers should indicate they are okay by giving them the thumbs up signal. Failure to do so will mean that additional help will be called for to assist personally and to move the vehicle.
- Follow marshals' directions at all times.

16. Event Day Information

- The organisers will try to run the programme as published but reserve the right to delay or bring forward event times to suit the conditions of the day.
- There will be no official bulletins etc. These will be sent to drivers electronically via a WhatsApp group as soon as they become available and will be posted on the virtual notice board, which can be found by clicking the link in the footer of the Time Attack website: www.timeattack.co.uk

17. Video Equipment

- Video equipment must not be fitted to any vehicle without express permission if it is to be used for commercial purposes. Any driver/team transgressing this regulation may be subject to a fine of £1,000 and disqualified from the meeting. Once permission has been obtained video equipment must be fitted to the vehicle prior to scrutiny and the scrutineer must be advised.
- The name Time Attack and the Time Attack logo are registered trade marks and cannot be used without written permission from Time Attack Ltd.

18. Merchandising

- All merchandising rights on the venue belong to Time Attack Ltd. Any competitor found to be selling merchandise without prior written authorisation will be liable to immediate payment of the relevant sales site fees before being allowed to practice or compete.

Vehicle/Safety/Event Rules and Regulations

At all times whilst in the confines of the venue competitors should comply with these guidance notes.

Ensure you have made thorough safety checks to your vehicle. You will be having vehicle safety checks carried out secondary to your own before the start of the event. Also a technical representative will be checking your vehicle conforms to the vehicle regulations. Any vehicle deemed to be unsafe or not conforming to the regulations will be Disqualified from the meeting until such time as any defects are rectified. Your vehicle must be available for a safety check at any time throughout the event(s).

Usage and storage of Petrol

- All petroleum spirit must be stored in metal containers complying with the relevant British Standards and away from any source of ignition/flame.
- All containers must be marked as having petrol inside.
- All empty containers must be removed from the venue after the Event.
- Petrol is to be used as a fuel only, and not for any other purpose.
- All vehicle refueling is to take place in the open air. The person in charge of the refueling process must enforce a no smoking ban.
- Your attention is drawn to the Petroleum (Consolidation) Act 1928, and the Petroleum Spirit (Motor Vehicles) Regs 1929.
- Competitors and entrants are reminded that fuel is available for sale at the Venue. As such it is unnecessary for competitors to carry large quantities of fuel inside vehicles

Hazardous Substances

- Some vehicle parts, for example brake and clutch linings contain asbestos. Entrants are encouraged to use non-asbestos substitutes wherever possible. Where asbestos is used, every effort should be used to prevent asbestos dust getting into the air.
- Some mineral oils may cause skin cancer. Prolonged contact should therefore be avoided wherever possible. Where contact does occur any contamination should be washed off immediately. The wearing of contaminated clothing (including overalls) should also be avoided.
- Various other substances may cause disease or ill health even after very short exposures. Manufacturers and suppliers of such substances are obliged to provide customers with information about the possible harmful effects of their products upon request.
- Where any person is at work, the requirements of the Control of Substances Hazardous to Health (COSHH) Regulations 1988, must be complied with

Electrical Safety

- All electrical equipment must be maintained in a safe condition.

- All electrical equipment to be used externally should be weatherproof.
- Hand tools should preferably be of the "double insulated" or "all insulated" type, as these provide valuable protection against electric shock.
- Electrical equipment and hand tools should not be used in areas where flammable vapours may be present, for example where fuel is being stored or refueling is taking place.
- Where any person is at work the requirements of the Electricity at Work Regulations 1989 must be complied with.

Fire Precautions

- Smoking is prohibited in all pit garages and in the pit lane.
- All potential sources of ignition should be kept away from petroleum spirit and vapours.
- The lighting of barbecues is prohibited in the paddock and pits area and cooking is not permitted in the pit garages.
- Fire extinguishers should not be removed from fire points unless they are to be used on a fire.
- All fires must be reported immediately to an official or member of the Venue management.
- Teams/drivers are encouraged to train their members in the correct use of fire extinguishers.
- All fire notices and orders to evacuate must be complied with.

Compressed Gas Equipment

- Air blasts from the over inflation of tyres can cause injury. Tyres should therefore not be inflated to pressures above the manufacturers' recommendations.
- All airlines should be in good condition and be inspected regularly.
- Always stand clear when inflating tyres.
- Any form of horseplay involving compressed air or gas is prohibited.
- Compressed gas cylinders should be stored in accordance with the relevant working practices.
- Where any person is at work the requirements of the Pressure Systems and Transportable Gas Containers Regulations 1989, must be complied with.

Jacks and Axle Stands

- Vehicles should only be raised on jacks which are in good condition, and rated to lift the vehicle weight safely.
- Jack vehicles only on level undamaged floors.
- Use the hand brake and /or chocks to stop the vehicle moving.
- Jacks, should only be used for lifting the vehicle. Axle stands should always be used to support the vehicle weight.
- Vehicle engines should not be run whilst the weight of the vehicle is supported by axle stands

General Working Practices

- All working areas should be kept clean and tidy, and any waste should be removed regularly and placed in the containers provided.
- All spillages should be cleaned up immediately.
- All trailing wires and hoses should not be allowed to create a trip hazard.
- Whenever vehicle engines are being run, adequate ventilation must be ensured.
- All safety notices must be complied with.
- Any person carrying out any work must ensure that they adopt safe working practices at all times, and comply with any relevant statutory provision and/or published guidance.
- Persons under the age of 16 are not allowed in the pits area or pit lane.

Noise

- Exposure to excessive noise may result in hearing loss or other complaints. These may be short term, or, after repeated exposure, permanent.
- All persons should avoid being exposed to excessive noise, and where this is unavoidable, they should wear earplugs or defenders to the appropriate British Standards.
- Where any person is at work the requirements of the Noise at Work Regulations 1989, must be complied with.

Manual Handling of Loads

- Lifting, carrying and propelling loads by bodily force is a major cause of injuries. All teams/drivers are encouraged to train their members in safe manual handling techniques.
- Where any person is at work the requirements of the Manual Handling of Loads Regulations 1992 must be complied with.

Waste

- All waste oil must be placed in the containers marked "waste oil."
- Waste tyres and empty petrol/oil containers should not be left at the Venue.
- Teams and competitors are urged to take any other form of waste with them when they leave the Venue, or to place it in the refuse containers provided.
- Your attention is drawn to the requirements of the Environmental Protection Act 1990,

Vehicle Safety

- A 10 mph speed limit is in force in all public areas, including paddocks and service roads at all of the venues. This applies to all vehicles with the exception of emergency vehicles attending an incident.
- No motorised forms of transport are allowed anywhere within the pit lane/paddock or garage areas with the exception of the transportation vehicles dropping off competing cars and parts/spares.
- All vehicles must at all times keep to the marked roads when moving around the Venue.

First Aid

- Any person sustaining an injury or feeling unwell should seek treatment from the on-site emergency services.
- To call the first aid or emergency services contact any official or member of the venue management.

Public Safety

- Competitors and entrants should act in a manner so as not to put either themselves or any other person at risk from injury
- **CHILDREN UNDER THE AGE OF 16 ARE NOT ALLOWED IN THE PIT LANE OR GARAGE AREAS**

Incident Reporting

- All accidents where any person sustains injury or where damage to property occurs must be reported immediately to an official or a member of the circuit.
