7. Driving Standards

- Competitors are reminded of their responsibility to understand and comply fully with all Motorsport UK regulations and flag signals. The Clerk of the Course will interview any competitor reported for failing to comply with these regulations. This may result in penalty applied in accordance with Motorsport UK Regulation [C2.1]
- If at any time the Clerk of the Course feels driving is not to a standard deemed safe, this may result in the driver being Black Flagged.
- Drivers' rules, vehicle regulations, event details and timetables are subject to change for the benefit of the event and prevailing circumstances. Competitors will be notified accordingly by an official bulletin.
- Please take note of the track limit regulations that will be reported by Judges of facts. Drivers contravening track limits (GR Q12.21.2) will have the corresponding lap time deleted.

8. Tickets/Passes/Wristbands

- Each competitor will receive an email via the MSV on-line system from which four entrance tickets can be downloaded. They will also receive an email containing a vehicle paddock pass that must be printed and displayed in the support vehicle windscreen at the entrance in order to gain access to the venue.
- Drivers must collect a coloured wristband from the race office. This must be worn by the driver in order to gain access to the circuit. **No wristband, no access.**
- Teams will also receive four more wristbands at signing-on. These wristbands are only for technicians/mechanics to allow access to the working area in the pit lane.

9. Entry/Set up times

- Saturday 30th April: Competitors may gain access to the circuit from 18.00.
- Setting up in the paddock cannot take place until participants taking part in the track day have vacated. This event concludes at 17.00.
- Sunday 1st & Monday 2nd May: Venue access is available from 7.00am.

- Competitors may stay overnight in the paddock on Sunday. 24-hour security has been arranged by the circuit. Toilet and shower facilities are available. Time Attack, MSV and Cadwell Park Circuit cannot be held responsible for any loss or damage to any competitor's vehicle(s) and/or equipment.
- Competitors must vacate the paddock by 20:00 on Monday.

10. Scrutineering/Technical Checks

- Pre-event scrutineering checks will be carried out by scrutineers in the scrutineering bay in the lower paddock.
- Scrutineering will take place as follows:
 - Saturday 30th April: 18.00 – 19.00
 - Sunday 1st May: from 07.00
 - Monday 2nd May (for Sunday entries only): from 08.00
- Vehicles may be subject to further safety/technical checks at any time throughout the event. Full cooperation is required.
- Competitors should ensure their vehicle and personal equipment is fit and suitable for purpose and meets all the required vehicle safety criteria for the event before arriving at the venue.
- Vehicles may have a sticker / card placed on them once they have passed its checks.

11. Engine/Noise Pollution

- Noise testing will be carried out before the first track session. The noise limit is 105db. ALL CARS MUST BE NOISE TESTED BEFORE BEING ALLOWED ONTO THE CIRCUIT.
- Engines of competing cars should not be revved before 08.30 or after 18.30.

12. Driver Briefings

- A driver briefing will be held at 08.15 on Sunday morning in the Clubhouse restaurant.
- Drivers who are entered for Monday only will be briefed at 09.00 in the Paddock Office.
- All drivers MUST attend. Not doing so is in contravention of Motorsport UK Regulation [G 5.3.6] and may lead to a penalty, If for any reason a driver is unable to attend they must contact the championship coordinator Simon Slade: simon@timeattack.co.uk / 07966 153555.
- Only the driver may attend the briefing.

13. Signing-on

- Signing on will be carried out in the Paddock Office in the lower paddock from 07.00 on Sunday morning.
- Competitors should bring their Motorsport UK competition licence and any other supporting documentation, such as medical certificates (if applicable), as these will be visually checked when drivers collect their wristband.

14. Pit garages, paddock and parking

- There are no pit garages at Cadwell Park.
- Teams are to set up in the areas specified on the paddock plan. Due to it being an open area, there are no specific bays for each team. Therefore, parking is in the area allocated for the class. Teams are expected to provide shelter (and power) for their own working area.
- Please park your team support vehicles as neatly and as tidily as possible. This will be monitored and teams will be asked to move their vehicles if they are not parked correctly.
- All trailers are to be parked in the area indicated in the upper paddock.
- Please note that private cars will NOT be allowed to park in the paddocks. Ample parking is available provided for private cars outside of the paddock and personnel are asked to use these areas to provide more space.
- Working areas must be kept area in a neat, tidy and safe condition.
- **Any person (or team) failing to comply with the paddock rules regarding parking of trailers and private cars will be subject to a £50 fine.** This money will be placed into a fund for use at the end of the season, as deemed appropriate by championship officials.

15. Paddock procedures

- The use of vehicles is not permitted unless towing a trailer for the purpose of transporting ancillary motor race equipment in the pit & paddock area. No competitor may use a support vehicle in the pit road at any time unless authorised by a race official. Any misuse of "support vehicles" will be brought to the attention of the Senior

- Officials and appropriate action may be taken.
- The roadways within the Paddock Area and any Fire Lanes must be kept clear of all vehicles at all times. A 10 mph speed limit is in force in all areas of the venue.
- Scooters are permitted on the venue, where the rider holds the appropriate licence. Mini Moto's are NOT permitted on site. Passengers are not permitted to ride on quads, unless the quad bike is specifically designed to carry passengers. Scooters and quad bikes are not permitted on any grass verges, banks, or any general public areas such as trade malls, and they must adhere to designated vehicle routes. Scooters and quad bikes must be in a road worthy condition and fitted with lights. No one without a valid driving licence is permitted to drive a scooter or quad bike. Alcohol is strictly prohibited whilst driving any vehicle at the Venue. Riding on trailers is strictly prohibited. Tail lifts must be left either up or down. Anyone found in breach of any of these terms will have their vehicle confiscated.
- All vehicles and team equipment is left at the owners risk and neither the organisers nor circuit operators can be held liable for any loss or damage, howsoever caused.
- Where vehicles with tail lifts are being used at the venue, the operator must ensure that the tail lift is never left down, including in the halfway position, other than when loading/unloading is being undertaken.

16. Pit Lane

- Support vehicles may go to the pit lane ahead of the competing cars. These will be monitored and only a select number will be allowed. Please cooperate with other teams and double-up with equipment where possible in order to keep traffic to a minimum and be ready to access the track when requested to do so.
- Access will be via the assembly area. **DRIVERS OF SUPPORT VEHICLES MUST SIGN ON IN THE PADDOCK OFFICE.**
- No work should be carried out in the pit lane unless the car is 'in session'.
- The onus shall be on all drivers to take due care and drive at minimum speeds in the Pit Lane. **Please observe the pit lane speed limit of 50kph.**
- Refuelling in the pit lane is not permitted.
- Only team members with wristbands will be allowed into the pit area.
- Only two people from each team may access the pit wall at any one time for the purpose of signalling.
- Children under the age of 16 years are not permitted in the pit lane area.
- Please keep equipment by the back wall of the pit lane area and remove it when the session is over.
- Teams and their vehicles may not return to the paddock until instructed to do so and should take the short cut across the circuit to exit the track by the Mountain and follow marshals' instructions.

17. Circuit layout, track access and exit

- The full version of the circuit will be used.
- Teams will be called to session and must assemble promptly in the assembly area.
- **PLEASE BE READY TO START YOUR SESSION.** Because of the nature of the circuit, competitors may be denied access to the track when the session has started.
- Competitors will access the circuit from the assembly area and go straight into session. There will be no holding of cars in the pit lane.
- At the end of each session all vehicles must slow down after taking the chequered flag, continue around the circuit and leave the track via the paddock entrance at the Mountain. **MARSHALS' INSTRUCTIONS MUST BE ADHERED TO.** Failure to do so will result in a penalty being applied.
- Please note: following sessions, competitors may be directed to the scrutineering bay so the car can undergo technical checks.
- If competitors have to return to the paddock during the session and then wish to return to the track, marshals will attempt to allow them back onto the circuit. Access will depend on conditions.
- While on track the rules and regulations remain unchanged. Should a vehicle stop trackside, drivers will be approached by a marshal. Drivers should indicate they are by okay giving them the thumbs up signal. Failure to do so will mean that additional help will be called for to assist personally and to move the vehicle.
- Please follow marshals' directions at all times.

18. Race Day Information

- The organisers will try to run the programme as published but reserve the right to delay or bring forward event times to suit the conditions of the day.

- There will be no printed results and official bulletins etc. These will be sent to drivers electronically via a WhatsApp group as soon as they become available and will be posted on the virtual notice board, which can be accessed via the Time Attack website: www.timeattack.co.uk A direct link will be advised via WhatsApp.

19. Judicial, Protests & Appeals

- All judicial paperwork must be lodged with the Senior Clerk of the Course (derek@timeattack.co.uk) who will then process this as appropriate. If there is a need for a face-to-face interview, a face covering may be required.
- For judicial and appeals purposes the time of issue will be deemed to be the time the decision was sent, unless the recipient is informed verbally, when the time commences at the time notified verbally as stated on the relevant Clerk of the Course decision sheet.
- All decisions will be posted on the virtual noticeboard.
- Protests & Appeals should be made in accordance with Motorsport UK Regulation [C 5]. They must be submitted electronically and emailed to the Senior Clerk of the Course: derek@timeattack.co.uk. Mobile number: +44(0)797 957 6293.
- Protests and appeal forms are available on the Time Attack website via the following link: www.timeattack.co.uk/competitors-area
- At the discretion of the judicial officials, judicial meetings may be recorded. Please note that no competitor or entrant is allowed to record the proceedings under Motorsport UK regulation C15.

20. Transponders

- Drivers are reminded that transponders must be fitted in keeping with TSL guidelines.
- If drivers do not have their own and need to hire a transponder, they may do so from the event timekeepers TSL Timing. These do not have to be booked in advance, as it will be assumed that if you don't have a transponder, you will need to hire one and they will be brought to the circuit.
- Transponders can be collected from the paddock office. They must be returned to the paddock office and deposited in a container.
- Cost of hire is £15 for the day. Competitors should bring cash in an unsealed envelope with their name and competition number on it.
- There is no deposit required. Instead, if the transponder is not returned on the day, TSL will invoice the driver for the cost of a new unit.
- If drivers have their own transponder, they must ensure that its number is registered before the start of the sessions.

21. Video Equipment

- Video equipment must not be fitted to any vehicle without express permission if it is to be used for commercial purposes. Any driver/team transgressing this regulation maybe subject to a fine of £1,000 and disqualified from the meeting. Once permission has been obtained video equipment must be fitted to the vehicle prior to scrutiny and the scrutineer must be advised.
- The name Time Attack and the Time Attack logo are registered trade marks and cannot be used without written permission from Time Attack Ltd.

22. Merchandising

- All merchandising rights on the venue belong to Time Attack Ltd. Any competitor found to be selling merchandise without prior written authorisation will be liable to immediate payment of the relevant sales site fees before being allowed to practice or race.

Vehicle/Safety/Event Rules and Regulations

At all times whilst in the confines of the venue competitors should comply with these guidance notes.

Ensure you have made thorough safety checks to your vehicle. You will be having vehicle safety checks carried out secondary to your own before the start of the event. Also a technical representative will be checking your vehicle conforms to the vehicle regulations. Any vehicle deemed to be unsafe or not conforming to the regulations will be Disqualified from the meeting until such time as any defects are rectified. Your vehicle must be available for a safety check at any time throughout the event(s).

Usage and storage of Petrol

- All petroleum spirit must be stored in metal containers complying with the relevant British Standards and away from any source of ignition/flame.
- All containers must be marked as having petrol inside.
- All empty containers must be removed from the venue after the Event.
- Petrol is to be used as a fuel only, and not for any other purpose.
- All vehicle refueling is to take place in the open air. The person in charge of the refueling process must enforce a no smoking ban.
- Your attention is drawn to the Petroleum (Consolidation) Act 1928, and the Petroleum Spirit (Motor Vehicles) Regulations 1929.
- Competitors and entrants are reminded that fuel is available for sale at the Venue. As such it is unnecessary for competitors to carry large quantities of fuel inside vehicles.

Hazardous Substances

- Some vehicle parts, for example brake and clutch linings contain asbestos. Entrants are encouraged to use non-asbestos substitutes wherever possible. Where asbestos is used, every effort should be used to prevent asbestos dust getting into the air.
- Some mineral oils may cause skin cancer. Prolonged contact should therefore be avoided wherever possible. Where contact does occur any contamination should be washed off immediately. The wearing of contaminated clothing (including overalls) should also be avoided.
- Various other substances may cause disease or ill health even after very short exposures. Manufacturers and suppliers of such substances are obliged to provide customers with information about the possible harmful effects of their products upon request.
- Where any person is at work, the requirements of the Control of Substances Hazardous to Health (COSHH) Regulations 1988, must be complied with.

Electrical Safety

- All electrical equipment must be maintained in a safe condition.
- Extension leads cables should be flexible and not of semi rigid cable of the type used for household wiring and covered by matting. Neoprene covered cable will resist damage by oil.
- All electrical equipment to be used externally should be weatherproof.
- Hand tools should preferably be of the "double insulated" or "all insulated" type, as these provide valuable protection against electric shock.
- Electrical equipment and hand tools should not be used in areas where flammable vapours may be present, for example where fuel is being stored or refueling is taking place.
- Where any person is at work the requirements of the Electricity at Work Regulations 1989 must be complied with.

Fire Precautions

- Smoking is prohibited in all pit garages and in the pit lane.
- All potential sources of ignition should be kept away from petroleum spirit and vapours.
- The lighting of barbecues is prohibited in the paddock and pits area and cooking is not permitted in the pit garages.
- Fire extinguishers should not be removed from fire points unless they are to be used on a fire.
- All fires must be reported immediately to an official or member of the Venue management.
- Teams/drivers are encouraged to train their members in the correct use of fire extinguishers.
- All fire notices and orders to evacuate must be complied with.

Compressed Gas Equipment

- Air blasts from the over inflation of tyres can cause injury. Tyres should therefore not be inflated to pressures above the manufacturers' recommendations.
- All airlines should be in good condition and be inspected regularly.
- Always stand clear when inflating tyres.
- Any form of horseplay involving compressed air or gas is prohibited.
- Compressed gas cylinders should be stored in accordance with the relevant working practices.
- Where any person is at work the requirements of the Pressure Systems and Transportable Gas Containers Regulations 1989, must be complied with.

Jacks and Axle Stands

- Vehicles should only be raised on jacks which are in good condition, and rated to lift the vehicle weight safely.
- Jack vehicles only on level undamaged floors.
- Use the hand brake and /or chocks to stop the vehicle moving.
- Jacks, should only be used for lifting the vehicle. Axle stands should always be used to support the vehicle weight.
- Vehicle engines should not be run whilst the weight of the vehicle is supported by axle stands

General Working Practices

- All working areas should be kept clean and tidy, and any waste should be removed regularly and placed in the containers provided.
- All spillages should be cleaned up immediately.
- All trailing wires and hoses should not be allowed to create a trip hazard.
- Whenever vehicle engines are being run, adequate ventilation must be ensured.
- All safety notices must be complied with.
- Any person carrying out any work must ensure that they adopt safe working practices at all times, and comply with any relevant statutory provision and/or published guidance.
- Persons under the age of 16 are not allowed in the pits area or pit lane.

Noise

- Exposure to excessive noise may result in hearing loss or other complaints. These may be short term, or, after repeated exposure, permanent.
- All persons should avoid being exposed to excessive noise, and where this is unavoidable, they should wear earplugs or defenders to the appropriate British Standards.
- Where any person is at work the requirements of the Noise at Work Regulations 1989, must be complied with.

Manual Handling of Loads

- Lifting, carrying and propelling loads by bodily force is a major cause of injuries. All teams/drivers are encouraged to train their members in safe manual handling techniques.
- Where any person is at work the requirements of the Manual Handling of Loads Regulations 1992 must be complied with.

Waste

- All waste oil must be placed in the containers marked "waste oil."
- Waste tyres and empty petrol/oil containers should not be left at the Venue.
- Teams and competitors are urged to take any other form of waste with them when they leave the Venue, or to place it in the refuse containers provided.
- Your attention is drawn to the requirements of the Environmental Protection Act 1990,

Vehicle Safety

- A 10 mph speed limit is in force in all public areas, including paddocks and service roads at all of the venues. This applies to all vehicles with the exception of emergency vehicles attending an incident.
- No motorised forms of transport are allowed anywhere within the pit lane/paddock or garage areas with the exception of the transportation vehicles dropping off competing cars and parts/spares.
- All vehicles must at all times keep to the marked roads when moving around the Venue.

First Aid

- Any person sustaining an injury or feeling unwell should seek treatment from the on-site emergency services.
- To call the first aid or emergency services contact any official or member of the venue management.

Public Safety

- Competitors and entrants should act in a manner so as not to put either themselves or any other person at risk from injury
- **CHILDREN UNDER THE AGE OF 16 ARE NOT ALLOWED IN THE PIT LANE OR GARAGE AREAS**

Incident Reporting

- All accidents where any person sustains injury or where damage to property occurs must be reported immediately to an official or a member of the circuit.
