Super Attack	Pro/Invitation – 17:15 Club – 17:40 Clubman/Pocket Rocket – 18:05

*At the time of these briefing notes being created, the timetable is V3.0 and may be subject to change.

SIGNING ON

Please ensure you have signed on in advance of the event via the portal.

4th May 2026 – Cadwell Park

SCRUTINEERING

All competitors will need to be scrutineered in the scrutineering bay; scrutineering will be available Monday morning from 7:00.

ENGINE NOISE

Engines must not run before 8:30 or after 18:30.

All Sessions

For all sessions all vehicles must head to the assembly area. You will then be released onto circuit to commence the session. As per NCR regulation Ch.12 App.7 Art 1.5 If you wish to travel slowly to get a clear lap, this **MUST** be done without hindering another competitor in any way whatsoever. Please make use of your mirrors.

At the end of the session, competitors take the checkered flag, proceed around the circuit at a reduced speed without stopping and exit the circuit and make their way to Parc Ferme.

ALL CARS REMAIN UNDER PARC FERME CONDITIONS UNTIL RELEASED BY AN OFFICIAL.

FLAGS / LIGHT PANELS / SIGNALLING

Silverstone will be operating the circuit light panels as a primary route of signalling to competitors. The role of marshals is still critical in displaying signals via the light control panel and flags to both provide protection to their fellow marshals working trackside as well as the delivery of signals to the competitors. In some cases, flags will also be used.

The display of the red lights and safety car signals around the circuit will be undertaken by race control and in certain circumstances marshals may find that race control has adjusted the lights being displayed.

TRACK LIMITS

Track limits will be monitored around the circuit. A driver will be judged to have left the track if any part of the contact patch of any tyre of the vehicle goes completely beyond either the outer edge of any kerb or the white line where there is no kerb. The following penalties will be applied:

In qualifying sessions: The lap time on which the breach occurred will be disallowed for the purposes of establishing grid order for the relevant race but will still count towards the minimum number of laps required to qualify for the relevant race.

In race sessions: A first breach will be noted. A second breach may, if possible, result in the driver being shown the Black & White flag. A third breach will result in the driver receiving a 5-second time penalty. Further breaches will result in additional penalties.

4th May 2026 – Cadwell Park

DRIVING CONDUCT

All reported incidents will be investigated. DO NOT leave the circuit until you have been cleared to leave via the WhatsApp Group message or you have checked with Stacy or Paul – NOTE – All judicial hearings will be completed on Monday evening regardless of the time, no investigations will be carried over.

PROTEST & APPEALS

The protest and appeal forms can be found on the MSUK website under the heading Resource Centre.
All protests and appeals must be submitted within the correct time limits and forwarded to myself and the event secretary. Protest will be dealt with in the order we receive them, however this is subject to change if required.

DRIVERS SIGNALLING TO MARSHALS

If you are involved in an incident you should indicate to the marshals if you are OK by signalling with a thumbs-up at the front of your vehicle. If you can safely exit your vehicle, do so and then stand in a suitable/safe location

RED FLAGS & LIGHTS

When seeing a red flag or light panel you should stop racing, slow down and be prepared to take avoiding action or stop.

For any Red Flag stoppages in Free Practice or Qualifying please head back to the pitlane, teams can work on the cars under red flag during free practice or qualifying. Any red flag stoppages during the race follow the marshal's instructions and stop short of the grid.

TECHNICAL PROBLEMS

If you have a mechanical problem, pull off in a safe location. Do not continue round the circuit with the risk of leaving oil on the track.

4th May 2026 – Cadwell Park
