TIMETABLE & GRIDS

We've listened, we get it! For Cadwell Park, we have been able to tweak the event timetable to give you each **15 minutes of free practice time** prior to qualifying and the two races. Your free practice will take place during Time Attack Warm-up, split into three groups to allow for projected differences in speed:

- Class C to run with Time Attack Pocket Rockets (09:00-09:15)
- Class B to run with Time Attack Club Classes (09:20-09:35)
- Class A to run with Time Attack Pro Classes (09:40-09:55)

This is something we can look at for future events but it is really important teams and drivers have their cars ready to go on time for all sessions (in collecting area etc).

Race 2: As implemented at Anglesey, the fastest lap times from Race 1 will now establish the provisional starting grid order for Race 2.

TICKETS

You should have received your four allocated tickets via email. If not, please check your junk folder and if they have not landed there, please let Mark our championship secretary know: secretary@timeattack.co.uk

ARRIVAL & PADDOCK ACCESS

Sunday 5th May: From 5.30pm

Setting up in the paddock cannot take place until participants taking part in the track day have vacated. This event concludes at 5.00pm.

Monday 6th May: Venue access is available from 6.30am. Please be aware that because of the show taking place, there will be queues from 7.00am. You have been warned!

Competitors may stay overnight in the paddock on Sunday and must vacate by 8.00pm on Monday.

VENUE INFORMATION

Competitors should bring their own shelter and power supply and set up in the Time Attack paddock area (see plan). Please park trailers in the area indicated on the plan at the top end of the paddock.

Please remember that the paddock is accessible to the public, so keep your area tidy and safe and make sure you don't leave tools and equipment unattended.

SIGNING-ON & DRIVERS' BRIEFING

Signing-on will take place in the office situated in the lower paddock from 7.00am on Monday morning.

A drivers' briefing will be held in the Paddock Clubhouse at 9.00am. All drivers must attend. If you're not there, a penalty will be applied. Drivers who are new to Time Attack will be asked to stay on for a further safety briefing.

BRIEFING NOTES: A set of briefing notes will be issued ahead of the meeting. Please read when received.

SCRUTINEERING

Scrutineering will take place in the Scrutineering bay from 7.00am. Please note the briefing times so that you can scrutineer your car without missing the meeting.

IMPORTANT: Please ensure your car is well prepared and ready to be scrutineered. Delays are caused when cars or equipment is either not presented correctly or poorly prepared. Therefore, please check the basics: extinguishers, harnesses, seats, driver controls and operational lights. If the scrutineers find any significant issue, you will be sent back to your team area to effect repairs and then have to re-join at the back of the queue.

If you are missing any stickers or competition numbers, these can be collected from the Office when you sign on. Your car will not pass without them.
